

WEBSITE SERVICES

Does your website need a refresh? Are you struggling with a design that effectively communicates your brand's story to your audience? At Revox Media, we understand your frustrations, which is why we're here to help! Let us take the burden off of you as we plan, design, and develop a compelling website that effectively showcases your unique story.

WEBSITE SETUP PRO - \$2495

What you get:

- Select a modern, clean and mobile-friendly templated design
- Organizing pages and menu items
- Add text to appropriate pages (client provides or reviews final copy)
- Update photos on homepage and subpages (client provides media. Otherwise, stock images are used)
- Create how-to videos on making basic edits to pages (for client use)
- Secure and/or setup domain (www address) to point to new website
- Setup hosting services (via Squarespace) to auto-renew yearly
- 30 days of follow-up support for additional changes (after website goes LIVE)

WEBSITE TUNE-UP - \$997

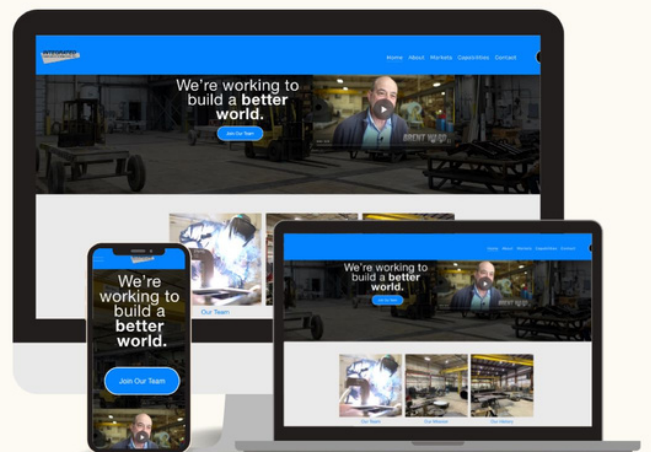

What you get:

- Select a new, modern, clean and mobile-friendly templated design
- Refresh homepage layout and design
- Reorganize pages and menu items
- Copy/paste new or updated text to necessary pages
- Update photos on homepage and subpages (client provides media. Otherwise, stock images are used)
- Create how-to videos on making basic edits to pages (for client use)

WEBSITE AUDIT - \$495

What you get:

- Written review and recommendations (broken down by page) of your current website
- Screen-recorded video review and recommendations of your current website
- 30-minute virtual meeting to review Revox's recommendations
